CALL FOR NOMINATIONS

FOUNDER | FELLOW | DISTINGUISHED CONSULTANT | AWARD OF MERIT | MARY ROTH AWARD

DHI Door Security + Safety Professionals

2017 Achievement Awards

LETTER FROM THE PRESIDENT

Dear DHI Member:

Our volunteers work relentless hours and devote personal time to supporting our industry and DHI.

To recognize these important accomplishments, DHI has several achievement awards, including the Founder's Award, Fellow Award, Distinguished Consultant Award, Award of Merit and the Mary Roth Award. We are seeking nominations of those individuals who have shown exemplary effort and dedication to our industry as door security and safety professionals.

Please take a moment to review the 2017 Achievement Awards brochure and consider someone whom you think exemplifies the dedication, leadership skills and devotion to our industry that is noted under the criteria for each award.

At your earliest convenience, please forward your nominations to DHI. The deadline for nominations is January 31, 2017. Several categories require supporting letters from other members of the industry to attest to a nomination. Once the nominations are received you may be contacted to supply such additional information if not previously supplied, which will be due by January 31, 2017.

Please feel free to contact myself or DHI's CEO Jerry Heppes, Sr., CAE, with any questions. Thank you for taking the time to recognize your colleagues as some of the most dedicated volunteers in our industry.

Sincerely,

Robert D. Maas

Robert D. Maas
DHI President

2017 Achievement Awards

BENCHMARK FOR EXCELLENCE

FOUNDER'S AWARD

The Institute's highest and most prestigious award recognizes significant and outstanding technical expertise and service to the Institute or to the architectural openings industry over an extended period of time.

Criteria

This award is reserved for truly exceptional individuals who have unquestionably demonstrated outstanding service and/or technical expertise. To qualify, nominees must be one of the following: a distinguished consultant (DAHC, DCDC, etc.), a Fellow (FDHI), a recipient of the former Merrill Award, or a recipient of the former Leeser Award. Nominees shall have contributed to the industry in such a way as to render them role models to other members of the industry. Nominations are based on an extended period of service, not on an individual or isolated project or activity. Only one Founder's Award may be awarded each year. This award may be conferred posthumously.

FELLOW AWARD (FDHI)

The Fellow Award is the Institute's second highest award based on service and is conferred on any DHI member who is deemed to have contributed significant and outstanding service to the Institute or to the architectural openings industry.

Criteria

This award may be conferred on any DHI member who has been a contributing member for 10 or more years. Nominees shall have clearly demonstrated by their efforts and actions over an extended period of time that they have contributed significant and outstanding service to the Institute or the industry. This service shall have been rendered at the local, national or international level and shall have been consistent with DHI's aims and objectives. A maximum of three Fellow DHI Awards per year may be awarded. Recipients may use "Fellow DHI" or "FDHI" as part of their title. This award cannot be conferred posthumously.

2017 Achievement Awards

BENCHMARK FOR EXCELLENCE

DISTINGUISHED CONSULTANT AWARD (DAHC, DEHC, DCDC, DAOC)

This award is the Institute's second highest award based on technical expertise. It may be conferred on a DHI consultant member for significant contributions to the door and hardware industry.

Criteria

This award is based on technical expertise, may be conferred on any DHI consultant member with a minimum of 10 years as a **credentialed AOC, AHC, EHC or CDC** consultant **and has been a** contributing member at any level of the Institute. Nominees shall have clearly demonstrated a high degree of technical excellence and standards of performance as AOCs, AHCs, EHCs or CDCs. Nominees shall have contributed to the improvement and promotion of the body of knowledge on which the door and hardware industry is built and/or shall have aided in the technological advancement of the industry.

All nominations must be accompanied by at least **five** letters of recommendation from colleagues noting examples of how the nominated individual specifically shares/uses/demonstrates their expertise to support why this nominee should receive this award. It is recommended that these letters come from diverse sources, including outside of the nominee's company and whenever possible from end users as well. You will need to submit your letters of recommendation and your nomination application in order for your nomination to be considered.
A maximum of three Distinguished Consultant awards per year may be awarded and cannot be conferred posthumously.

AWARD OF MERIT

This award is reserved for presentation to any individual (member or non-member) who has rendered outstanding contributions to the advancement of the aims and objectives of the Institute and of the architectural openings industry in any capacity.

Criteria

The service or contribution of this nominee may have been rendered at the local, regional, national or international level, but shall not be of sufficient significance to warrant nomination for the Fellow or Distinguished Consultant Awards.

There is no maximum on the number conferred each year; this is to be determined at the discretion of the Awards Committee based on the number of worthy nominations each year. This award may be conferred posthumously.

Please provide a supporting letter noting examples of how the nominated individual specifically demonstrates their service and contributions to support why this nominee should receive this award. You will need to submit your letter and your nomination application in order for your nomination to be considered.

BENCHMARK FOR EXCELLENCE

MARY ROTH AWARD

This award is conferred on a DHI Chapter for presenting an outstanding chapter education program or series of programs.

Criteria

The educational program or programs must occur at a chapter meeting and must be at least one hour in length. The topic must be industry-specific and may have either a technical or management focus. In addition to uniqueness and creativity, organization of the program, including marketing and outline of the presentation, will be considered. Please include names, dates and details of program(s) being submitted for nomination.

This gavel award is presented to the entire chapter with a certificate given to the individual primarily responsible for organizing the program. There is no maximum awarded per year.
