

DHI St. Louis Local Education and Dinner Meeting
Wednesday, March 14, 2012

Deadline to Register is January 20, 2012

Technical Course: AHC200 Masterkeying

By attending DHI's National course, Masterkeying, you will learn how to:

- Explain capabilities and limitations of key systems
- Determine the correct master key level based on owner requirements
- Use high-security cylinders and keyways
- Organize and conduct a keying meeting
- Identify existing key systems and their expansion potential
- Communicate the owners keying requirements to the factory

Times: Education 8:00 am – 5:00 pm * Dinner Meeting 5:30 pm – 7:30 pm

Location: Engineers Club of St. Louis, 4359 Lindell Blvd, St. Louis, MO 63108
