BENCHMARK FOR EXCELLENCE

2020 Achievement Awards

CALL FOR NOMINATIONS

FOUNDER | FELLOW | DISTINGUISHED CONSULTANT | AWARD OF MERIT | MARY ROTH AWARD
Dear DHI Member:

DHI has succeeded because of countless, dedicated volunteers. They believe in our mission, the value of education, and developing our next generation of leaders. They have taken time from work and their families, so we are extremely grateful for their dedication and sacrifice.

Many of these volunteers have gone above and beyond, and we need your assistance to recognize those achievements. The DHI Achievement Awards include the Founder’s Award, Fellow Award, Distinguished Consultant Award, Award of Merit, and the Mary Roth Award. These awards are bestowed upon individuals and one outstanding chapter who have shown exemplary effort and commitment to our industry as door security and safety professionals.

Please take a moment to review this 2020 Achievement Awards brochure and consider someone whom you think exemplifies the dedication, leadership, and devotion to our industry that is noted under the criteria for each award.

At your earliest convenience, please forward your nominations to DHI. The deadline for nominations is July 13, 2020. Several categories require supporting letters from other members of the industry to attest to a nomination. Once the nominations are received, you may be contacted to supply such additional information.

Thank you for taking the time to recognize your colleagues as some of the most dedicated volunteers in our industry.

Sincerely,

Bill Trimble, AHC
DHI President
DEADLINE FOR NOMINATIONS IS JULY 13, 2020.

Please submit your nominations to Sarah Mullen at smullen@dhi.org with any questions. If your nomination requires additional documentation, DHI will contact you. Thank you for your submission.
DISTINGUISHED CONSULTANT AWARD (DAHC, DEHC, DCDC, DAOCC)

This award is the Institute's second highest award based on technical expertise. It may be conferred on a DHI consultant member for significant contributions to the door and hardware industry.
